

# Its Beginning to Look A Lot Like Christmas

28/11/19/19

## [Verse 1]

G C G  
 It's beginning to look a lot like Christmas  
 G B C  
 Everywhere you go;  
 Am D7 G Em  
 Take a look in the five-and-ten, glistening once again  
 D A D7  
 With candy canes and silver lanes aglow.

## [Verse 2]

G C G  
 It's beginning to look a lot like Christmas,  
 G B C  
 Toys in every store,  
 Am D7 G E  
 But the prettiest sight to see is the holly that will be  
 Am/E D G  
 On your own front door.

## [Bridge]

B  
 A pair of hopalong boots and a pistol that shoots  
 Em B Em  
 Is the wish of Barney and Ben;  
 A  
 Dolls that will talk and will go for a walk  
 D A7 D7  
 Is the hope of Janice and Jen;  
 D  
 And Mom and Dad can hardly wait for school to start  
 again.

## [Verse 3]

G C G  
 It's beginning to look a lot like Christmas  
 G B C  
 Everywhere you go;  
 Am D7 G Em  
 There's a tree in the Grand Hotel, one in the park as well,  
 D A D7  
 The sturdy kind that doesn't mind the snow.

## Part Two

### [Verse 4]

G                    C                    G  
It's beginning to look a lot like Christmas;  
G                    B                    C  
Soon the bells will start,  
Am                    D7                    G  
E  
And the thing that will make them ring is the carol that  
you sing  
Am/E    D    G  
Right within your heart.

### [Outro]

G                    C                    G  
It's beginning to look a lot like Christmas,  
G                    B                    C  
Toys in every store,  
Am                    D7                    G                    E  
But the prettiest sight to see is the holly that will be  
Am/E    D    B  
On your own front door.  
Am                    D                    G  
Sure it's Christmas once more.
